RE: D.D. Willis - Letter dated 12/29/80
ML 33315 - Metalliferous Mineral

Dear Mr. Willis:

Although Plateau Resources LTD subleased ML 33315 to Sum Company, Inc., Plateau Resources LTD is still the lessee of record with the Division of State Lands and as such is ultimately held responsible to the Division for all mining operations conducted by its sublessee on this lease. Should Plateau Resources LTD wish to alter this legal fact, then please submit a formal assignment assigning ML 33315 to the Sum Company. Meanwhile, the \$25,000 Statewide bond posted with the Division of State Lands by Plateau Resources is considered in effect upon ML 33315 as per our telephone conversation of December 31, 1980.

Sincerely yours,

JOHN T. BLAKE
